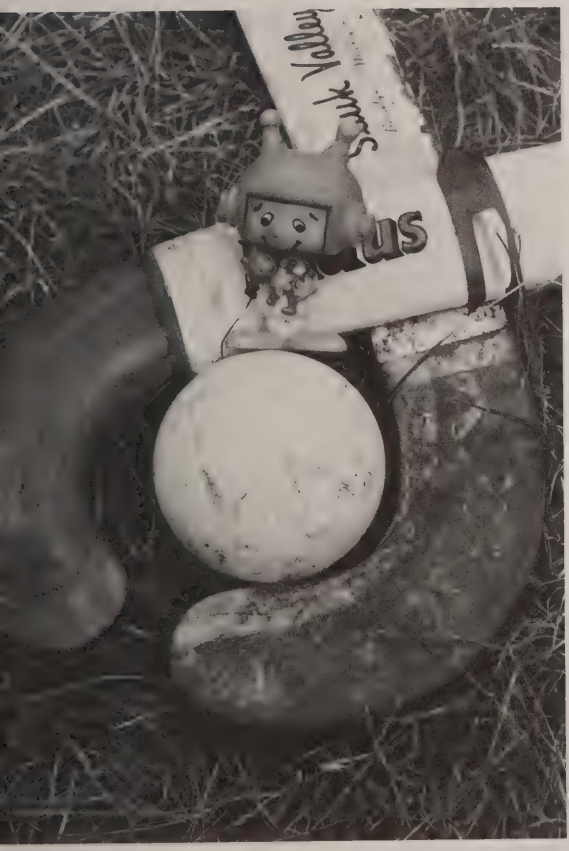
And if I should ever go away
Well then close your eyes and try
To feel the way we do today
And then if you can remember

Keep smiling
Keep shining
Knowing you can always count on me
For sure
That's what friends are for



For good times
And bad times
I'll be on your side for evermore
That's what friends are for

Well you came and opened me
And now there's so much more I see
And so by the way I thank you

Oh and then for the times when we're
apart
Well then close your eyes and know
The words are coming from my heart
And then if you can remember

Keep smiling
Keep shining
Knowing you can always count on me
For sure
That's what friends are for

Administration

The 1985-86 Administration had a new addition to its staff, Assistant Principal, Keith Harmeyer. His positive personality and interest in students has been acknowledged by Principal Lynn Mayer as well as the entire student body. Besides many other renovations and changes, one major focus was the repaving of the track and the repair of the football field.

Art and Music

Catosville's Art department chairman, Diana Mand, is once again proud to be a part of a successful art program. The expansion of the department has been beneficial to both art students and the Art department. The department has also had many students receive recognition on a state level, particularly by the Maryland Art Association.

Welcoming new staff member Laura Gilpin, the Music department also expanded its activity. The Symphonic Band played at the County Court House and the Marching Band made its debut by playing at the Homecoming football game. The Pep Band infused spirit throughout the crowd of six basketball games.

Business

The Business Department welcomed one new teacher this year. Margaret Korz taught introduction to data processing, accounting, and personal use typing. The department also purchased all electric typewriters to replace the manual ones no longer used. The department held an open-house this year during Vocational Education Week in recognition of this year's accomplishments.

English

Numerous changes marked the year for the English department. Along with establishing a new elective, literary seminar, the department was fortunate to take on newcomer Sandy Thomas as chairman. Catonsville is the sixth high school at which she has taught. She feels Catonsville has a good, strong academic program, offers an exceptional amount of electives, and has a capable, dedicated faculty. Mrs. Thomas optimistically stated, "Catonsville is the best kept secret on the west side in relation to its academic quality."

The English department also experienced the loss of veteran Jerry Bonnell, teacher of 28 years, who retired at the end of January after having spent 17 years here at Catonsville High School.

Home Economics/Industrial Arts

The students enrolled in Home Economics courses were introduced to some new faces this year. Patricia Goff and Roberta Wicks joined the Catonsville faculty for this 1985-86 school year. The two teamed up with veteran Mary Grauel to work on a curriculum that would ensure that the needs of the students were met.

The renovation was finally completed and the industrial arts wing opened last fall with its brand new look. Students were offered all of the original courses as well as the chance to sign up for Practical Engineering. Many students took that advantage and the new changes turned out to be quite promising.

Library/Nurse

Mrs. Chalcraft continued with programs from years before. In addition, our school nurse monitored a new health program for the faculty. The nurse was on call at several Catonsville sporting events as well.

The Library continued to provide excellent service for Catonsville students. A successful fundraiser helped to provide the necessary funds for AV equipment in the library and around the school.

Mathematics

The math department under the leadership of Dennis Quinby, requisitioned several new computers to aid in the computer math courses. Due to the addition of the computers, students were pleased to have more access to computer time. Maryland Functional Math Testing was also on the mind of the math department. To help students who did not excel in math, Duane Cipollini and Betty Rubin taught courses to help students pass the Maryland Functional Math Test.

Physical Education

This year the Physical Education Department, under the leadership of Ed Bury and Kathy Schuyler, introduced two new physical fitness programs. Replacing the old tests, "super fitness" was introduced to condition and tone up students, and to keep a record of their weaknesses. Also, aerofitness was offered this year involving units such as bicycling and fitness trail.

Science

Catonsville's Science Department has many highlighted areas. The teachers place great emphasis on lab work and students are encouraged to participate in challenging electives. In the near future, the department hopes to see the construction of a new greenhouse which will probably be located outside the science wing. If this materializes, new courses for Horticulture will be developed.

Social Studies

Paul Hawkins and Jim Johns joined the Social Studies department to give additional aid in teaching 9th and 10th grade students. The other department members continued their work with other Social Studies electives. Teachers also worked on other activities such as the Baltimore County Page Program, Mock Trial Competition, and Youth In-Government Day. The department feels that these extracurricular activities will provide students with the chance to practice their interests in these various programs.

Special Services

The Special Education Department offered many programs to help further the education of CHS students. The curriculum contained the same content studied in more advanced classes, but was modified to meet the needs of individual students. SAT Prep and the Reading Lab were two other courses where comprehension, verbal, and study skills were stressed throughout the year.

The Career Orientation Program was an alternative to a six hour school day where students managed school and a job. Underclassmen worked at actual job sites where they individually dealt with their employers on a first-hand basis. The Diversified Occupation Department continued to maintain the students' contact with their families and business employers within the community.

Western Vo-Tech

Western Vo-Tech provides alternatives for students seeking another aspect of high school education. Students attend Catonsville for half of a day and Western for the other half in morning or afternoon sessions. A day at Western starts out in a classroom with instruction and progresses to designated work areas for experience in such areas as food services, child care, mechanics, carpentry, electronics, data processing, and medical secretaries.

Special Thanks

The faculty, as well as the student body, would like to give thanks to the many people who worked behind the scenes here at Catonsville.

The grounds were kept tidy by Rolly Rogers while John Bowen, Dawn Prosper, James Perry, and Catherine Steward kept the school facilities running smoothly.

The bus drivers, once again, safely transported students to and from school throughout the year, while the cafeteria workers fed those students with nutritious meals.

Seniors

Seniors

The Senior Class had a great year at CHS. While the annual cheese and sausage fundraiser in the fall fell short of the class' goals, the class of '86 was able to make a comeback which allowed them to have a fantastic Senior Day.

The Prom, on May 30, was an elegant evening spent at the Belvedre Hotel with *Crash Davenport* providing the music.

The Seniors continued the tradition of holding a Baccalaureate service on the evening of June 5.

Finally, on June 6 the class of 1986 came together for one last time at U.M.B.C.'S Fieldhouse for a formal graduation ceremony. After receving their diploms that evening the Seniors proudly became Catonsville's newest alumni.

KYLE J. MATHIS

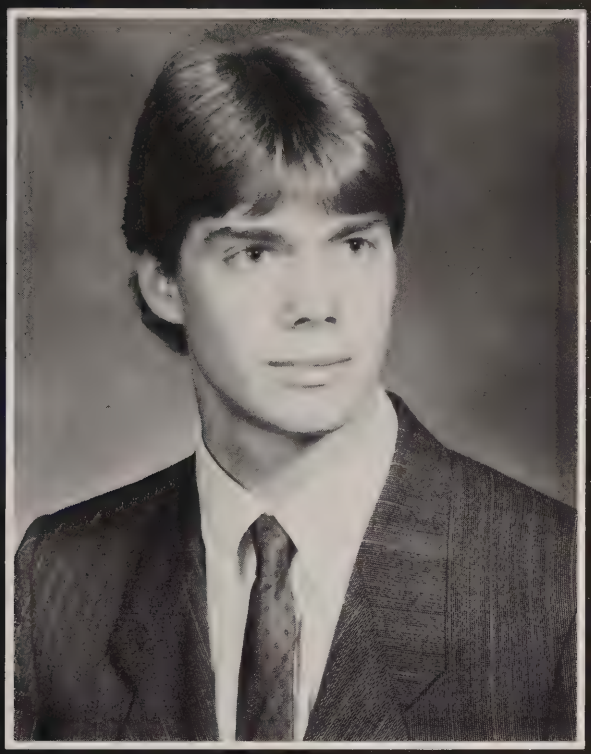
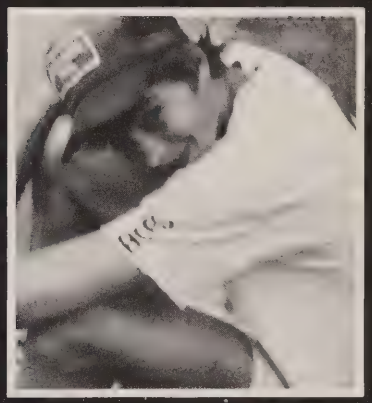
January 28, 1986





"He is my friend," I said, —
"Be patient!" Overhead
The skies were drear and dim;
And lo! the thought of him
Smiled on my heart — and then
The sun shone out again!

"He is my friend!" The words
Brought summer and the birds;
And all my winter-time
Thawed into running rhyme
And rippled into song,
Warm, tender, brave, and strong.

And so it sings to-day. —
So may it sing always!
Though waving grasses grow
Between, and lilies blow
Their trills of perfume clear
As laughter to the ear,
Let each mute measure end
With "Still he is thy friend."

James Whitcomb Riley

Up, Up, and Away

After the closing of the awards assembly, seniors flocked to the lower field to carry on with the rest of senior day. The class enjoyed sundaes from an ice cream bar and danced to the music provided by a DJ from K106 radio. The day ended with a multicolored balloon ascension above the ground of CHS.

Senior Awards Assembly

The senior awards assembly took place on May 29, 1986, to recognize those seniors who had excelled in the areas of academic achievements, service, and leadership positions. Scholarships, medals, and certificates of achievement were presented. Many underclassmen were also honored for their accomplishments in various departments. The assembly ended with the senior slide show, and then the seniors carried on with the rest of senior day.

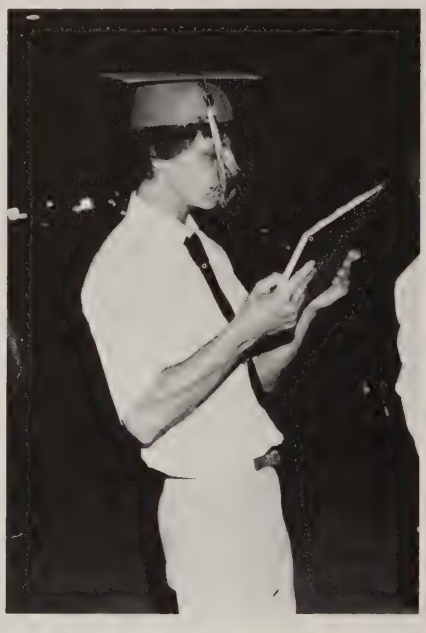
A Touch of Elegance

On May 30, the class of 1986 held its senior prom at one of the oldest, and most elegant, hotels in Baltimore, the Belvedere Hotel. The seniors had two ballrooms open to them. In one, a jazz pianist, tables, and food provided a quieter atmosphere with friends, and in the other, the rock band *Crash Davenport* had everyone feeling like a "Somebody", the prom's theme.



Looks Like We Made It

The class of 1986 held the 82nd annual commencement exercises on Friday, June 6, 1986, at the U.M.B.C. Fieldhouse. This year's graduation was distinguished from previous years because of the class efforts to formalize and shorten the ceremony. The class donned rented royal blue gowns rather than the traditional blue for boys and yellow for girls.

The orchestra performed selections from *Fiddler on the Roof* and the Senior choir sang "The Greatest Love of All." Speeches by Matt Flint, Jennifer Kloetzel, and Millie Bentley focused on the three aspects of education: students, teachers, and parents, thus ending one era of education for the class of 1986.

Juniors

Officers: T. Reuling (Treas.), N. Green (V. Pres,), M. Hourihan (Pres.), S. Bees (Sec.).

The class of 1987, under the guidance of Ed Massey and Allen Arnold, held their long-awaited Ring Dance on October 25, 1985. A ring presentation ceremony took place before the dance in the auditorium.

The class continued their dues collection and were able to show their teamwork by sponsoring a fall and spring car wash at the Household Bank in Catonsville. The weekly popcorn sales, and the Junior Prom held on May 17, 1986, made it a busy and exciting year.

Twists and Turns

The Junior Ring Dance was held on October 25, preceded by a first-time ceremony in the auditorium. The long awaited moment began with the distribution of rings, and a presentation of carnations to the girls. With a theme of "Dreams," by Tom Gavin's DJ Delights, the night proved to be very successful and enjoyable.

An Evening Filled With Dreams

"These Dreams," by the musical group Heart, was the theme of the class of 1987's Junior Prom. The prom was held on May 17, 1986, in the school's gymnasium. Juniors passed through transformed hallways of pink and white balloon covered panels. Musical tradition was broken by the presence of a DJ rather than hiring a band. At the end of the evening, favors bearing the theme, "These Dreams," were distributed to each person as they left the prom anticipating dreams of a senior year.

The class of 1988, with the help of their advisor, Selvin Rudd, was able to sponsor an Hawaiian Luau. The dance, also sponsored by the freshman class, was held on April 11, 1986. Sophomores ordered class rings in May and are looking forward to next year's ring dance and Junior Prom.

Havin' Hawaiian Fun

On April 11th, the Freshman and Sophomore classes sponsored a Spring Luau. Everyone was encouraged to dress Hawaiian, and were greeted with leis at the front door. The band, *41 East,* featured Vicki Fitez, a CHS alumna. The night was a success, and was enjoyed by over 200 students.

Officers: K. Ahmad (V.Pres.), K. Adolphi (Pres.), J. Helt (Sec.), Ki Holland (Treas.)

The Freshman class, under the guidance of advisor William Mouser, co-sponsored an Hawaiian Luau with the sophomore class on April 11, 1986. The class lollipop sale in February distributed over 2,000 lollipops to the student body and faculty members. This year's freshman class was also noted for its spirit in the participation of school activities.

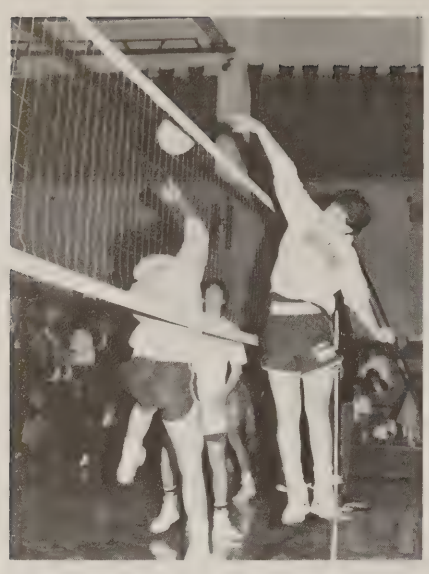
Varsity Club Shows How to Party

The first dance, sponsored by the Varsity Club was held on Friday, September 13, 1985. The music was by D&K Sound Productions. The money raised at the dance helped to support the Varsity Club Banquet at the end of the year.

This was the first time that the new tarp was used to preserve the gym floor. With the tarp, dances other than the Junior Prom were again held in the gym. The Class of 1985 donated one thousand dollars from their cheese and sausage fundraiser, and the SGA donated one thousand dollars toward the purchase of the tarp. With this combined effort, the entire student body benefitted in returning the popular CHS dances to the gym.

Highlights of Homecoming

This year, the Victory Mixer/Homecoming Dance began a new tradition at CHS. Sponsored by both the SGA and Varsity Club, the dance got spirits soaring for the Varsity Comets football game the following morning. Featured at the dance was the band *Apricot Brandy*. Between sets, the long awaited names of the Homecoming King, Jay Tan, and Homecoming Queen, Shelly Robbins, were announced. Also announced was the Royal Court, composed of two representatives from each grade level.



Settling the Score

The fourth annual Varsity Club student-faculty volleyball game was held on November 22, 1985. The Varsity Club decided on a different schedule of games because of the good turn out of interested players. This year, a freshman-sophomore game was played before the junior-senior teams played the faculty.

The night consisted of 11 exciting games. The sophomore girls defeated the freshman girls in 3 games, and the freshman boys defeated the sophomore boys, also in 3 games. The girls' junior-senior team came out with a first ever win over the faculty women in 2 games. The men then defeated the junior-senior boys' team in an exciting 3 game match, an unprecedented first for the men.

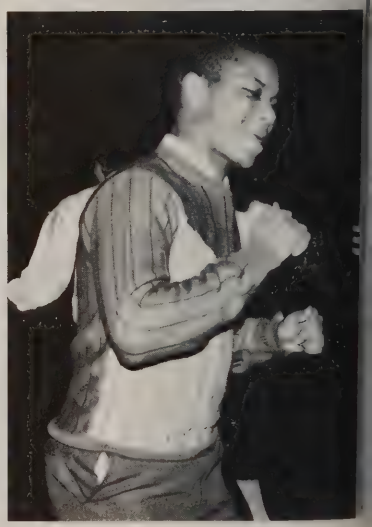
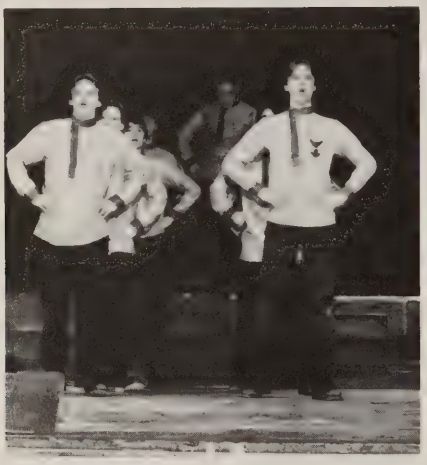
Under the Mistletoe

The 1985 Christmas dance was held on Saturday, December 14 and was a tremendous success with over 150 couples in attendance. The band, *Invoice,* supplied the entertainment for the evening with a variety of songs. Santa Claus and the seasonal decorations of mistletoe and snowflakes aroused the Christmas spirit in everyone.



Erin Go Braugh

The St. Patrick Day dance, held on March 21, 1986, marked an end to Spirit Week and supposedly the winter season. A few students braved the frigid temperatures outside to show off their beach clothes in the gym. The wide variety of music played kept students on their toes and as flighty as leprechauns. The dance was sponsored by the SGA with music provided by Davis Dee Jays.



Fiddler on the Roof

Fiddler on the Roof, a musical about Jews forced to leave their home in Russia, was held the weekend of March 13, 14, and 15. Leading a well balanced and very talented cast were Richard Zahn as Tevye and Jennifer Kloetzel as Golde. Directed by Mr. Dougherty and Ms. Ward, *Fiddler* proved to be a delight to those watching as well as those performing.

The American Field Service sent two of our students to other countries this past year. Stephanie Wixom, the president of our school A.F.S. Club, visited Chile, and Kelly O'Connor visited Thailand.

We also hosted five foreign students: Amaya Irigoyen visited from Spain, Paulo Garcia, Chile; Elisa Cordtz, New Zealand; Valerie Colin, Belgium; and Pia Sierila from Finland. Unfortunately, Elisa's visit with us was short, but quite pleasant. Several students are looking forward to visiting other countries this summer. Susan Petrlik is planning a trip to Brazil; Suzy Cole, Ecuador; and Stephen Hays, Malasia.

This year A.F.S. was successful in fundraising with a balloon ascension and sub sale. The sub sale was the more successful of the two.

The foreign language clubs had an enlightening year with guest speakers. The speakers were both returnees from other countries and foreigners. The International Weekend brought all the Baltimore Area A.F.S. students here to our school. We loved all the visitors, wish them well, and look forward to those visits in the upcoming year.

SGA

Under the leadership of President Martha Jeffries, the Student Government had a very successful year. One of the activities which the SGA renewed was the Homecoming Dance, where a king, queen, and a royal court were elected from the student body. The group *Invoice* made the Christmas Dance enjoyable for all who attended. In early spring the spirit of CHS continued to increase until the St. Pat's Dance, which was held on March 21. CHS also participated in a three school exchange where student council members learned new policies of the council.

Speech and Debate

The Speech and Debate Teams, led by Frank Sharp, had a transitional year. Varsity debate teams faced some partner changes, but continued to compete throughout the year. Jean Martin, Steve Canner, Latonya Dargan, Evan Duverlie, and Bill Stanley were all part of this persevering group. In Novice debate, teams of David York, Laura Hayes, Sarah Wagner, and Sharron Caine kept busy preparing for next year and perfecting the basics. Lincoln-Douglas debators, senior Millie Bentley and junior John Newbrough both qualified for local BCFL finals and newcomer Jo Mauser had quite a few successes. Senior speech competitors Rachel Burchard and Richard Zahn also qualified for finals, and coached Carrie Riley and Christy Black. The team looked forward to state and national competitions in spring, and in-school in the summer.

Students in Ed Massey's speech class this year developed skills which will prepare them for the world of public communication. With the addition of a video camera, students were able to view themselves demonstrating their speaking skills. Thanks to the use of the camera, Mr. Massey would be sure that his students left with a better knowledge of public communication.

Ellipsis

The *Ellipsis* staff was very active this year. The staff published a pamphlet, *Soundings,* before the *Ellipsis* to promote and familiarize people with the literary publication. The *Ellipsis* was recognized as one of the best literary publications in the country. The staff will continue to promote young writers, with Dr. Blankenburg and several writers in the class reading for the Maryland State Poetry Society, and the *Ellipsis* will be available in several local bookstores, including Louie's Bookstore Cafe.

This year's *Comet* staff was led by the excellent team of Melanie Cotes, editor-in-chief, and Melanie Case, production editor. The two worked well together and complemented each other's strengths in bringing the paper together. Also, the *Coment* had three strong photographers, a much needed addition to the staff. New this year was the *Comet's* use of the word processor, which aided them greatly in production of the paper. Despite financial difficulties which forced the staff to charge readers for the paper, the journalists produced a strong newspaper of high quality for the school.

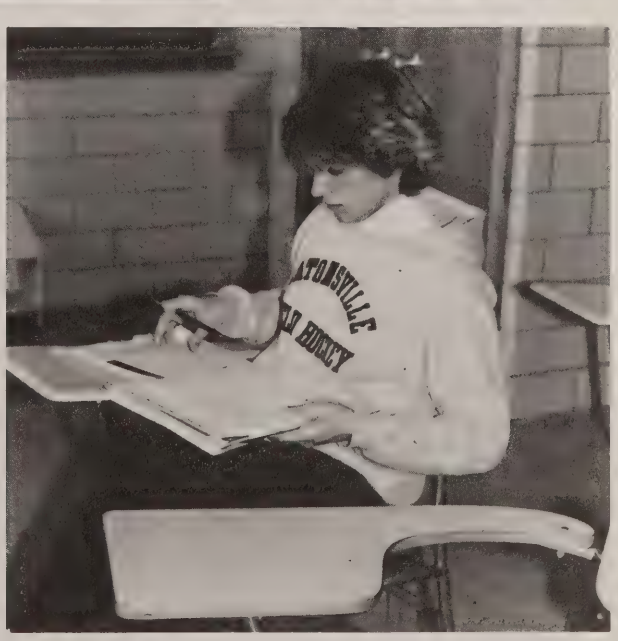
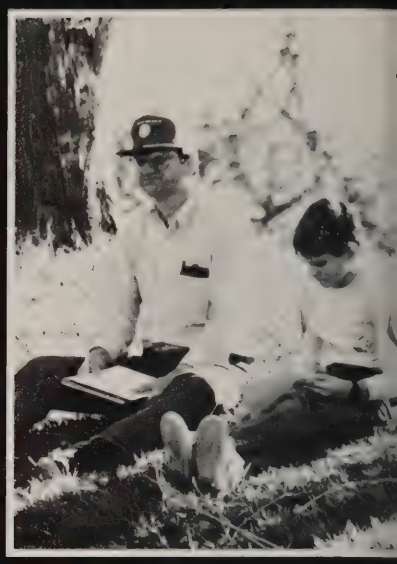
Catonian

Many changes were made in the *Catonian* this year, including cover color, the senior section, and many new innovative layouts inspired by a practically all-new staff. Ms. Sue Tustin was once again the *Catonian* advisor and did a super job of organizing the inexperienced staff. This inexperience was an advantage, leading to brand new ideas to make the 1986 yearbook one of the best Catonsville has ever had.





Sports

Pacing to Place

This year the boys' cross country team, coached by Tom Crain, had a very successful season. They had a winning season with many returning players. The team finished in the top half in Regionals, qualifying for the State championships where they competed with forty-four other schools. "I am very happy about the team's success this year and I can't wait 'til next year," said Coach Crain about this promising team which won't be losing any of the top runners, junior Ross Butler and Chris Sabino, a sophomore.

Geoffrey Weilert feels the same optimism for the girls' cross country team, placing seventh in the Counties. The team's two top runners were Becky Canner, a senior, and freshman Kristen Clark. Becky just missed second place in Regionals, placed ninth in Counties and placed 10th out of 126 in the State Championships.

Boys' Cross Country: Front Row: S. Bees (Mgr.), L. Toso, J. Weist, K. Mattson, M. Sabino, R. Butler, T. Crain (Coach). *Back Row:* C. Jarrell, M. Chen, P. Woleslagle, V. Svatek, G. Delisle, A. Ryan, E. Duverlie, T. Brocato, B. Woebekking.

Against the Odds

The varsity football team, only looking to win five games this year, had an impressive 7-3 season, a real turn-around from last season's 1-9 record. Although opening the season with a defeat at the hands of the Catoctin Cougars, the team fought back and put together the best record since 1973 when the team won the District Championship with an 8-1 record.

Coach Reeves believes the key to this year's success was the maturity of the defense.

Coach Bury was impressed with the J.V. team even though they finished the season without a win. Coach Bury believes that if J.V. matures during the off-season, they will give varsity a big boost in future seasons.

Shots On Goal

The Varsity soccer team had a "roller-coaster" season according to coach Ed Massey. Initially, the season was frustrating but in the end it was very rewarding. The sweetest moments came with the defeat of Pikesville, previously undefeated, and a victory over Franklin in the last three seconds of overtime.

The players who qualified for First-team All-County were Tim Wess, Trent Wisnauskus, and John Dingle. Wisnauskus and Dingle also made the East/West All-Star.

The JV team had a great season that was both devastating and rewarding. Their greatest strength was their impenetrable defense which earned them six shutouts. As coach Dave Lane pointed out, "If you don't give them (goals) up, you can't lose."

Injured But Able

The '85 season marked a first in the history of girls' athletics at CHS. The Varsity level of play was added to the sport of Girls' Soccer. Despite a 1-7 seasonal record, Coach Kathy Schuyler believed that the team showed good spirit and worked hard. Injuries plagued the team, and healthy players were faced with the task of adapting to unfamiliar positions of injured players. Three players received honorable mention for the All County Soccer Team. Overall, Coach Schuyler was pleased with the team's performance and looks forward to a healthier team and better season in '86.

The J.V. team had a very successful season. With a record of 5-2, they placed 3rd in the county standings. Although the team consisted mainly of freshmen, fine performances were given by all players of the team. Freshmen Stacey Leonard and Anne Smith were the Comets' leading scorers. The defense was led by strong efforts from freshman goalie Kim Hildebrandt, freshman fullbacks Sarah Wagner and Susan Widdes, and sophomore Cathy Budd.

Together

The Varsity volleyball team was very successful with an undefeated record in regular season before going on to become Divisional, Regional, and State finalist champions. Each athlete played her own special role by working hard and caring about each other as a team. The team had an excellent season and will continue its success with nine returning players.

Jennifer Hoffer and Lauré Stiffler were selected to first team All-County, while Laura Chrencik and Beth Straley were selected to second team All-County. Hoffer and Stiffler were also selected to second and third team All-Metro, respectively.

The JV team had an equally rewarding season with a trip to the County Championship. They played well together and worked as a team. According to coaches from other teams, if the JV team had been anywhere but Catonsville, they would have been a varsity team.

Striving Hard for Excellence

The Varsity basketball team kept up the Comets' tradition by playing and striving hard. As usual, the Comet team was short in height, but big in heart. The team did better than expected, making Regionals and finishing well. Senior guard Darren Hill led the Comets to the Regionals with his 229 assists, a new school record. The Comets boasted a 17-8 record and finished second in the region.

The J.V. team ignited to a 11-0 start but their hopes were soon extinguished with a five game losing streak. These losses were mainly due to a shooting slump. The J.V. Comets finished strong, ending with an overall record of 14-5. Coach Alban believed that the team played at a disadvantage. This year's new scedule matched the team against "AA" schools having a greater student population. The J.V.'s best game was against Milford Mill beating them 55-52. The five J.V. starters will greatly aid varsity's prospects next year.

The girls' Varsity Basketball team had an outstanding season. With a regular season record of 19-1, the Comet girls' were defeated only by Dulaney. Although the team was eliminated from the regional tournament by a crushing defeat by Lansdowne, the team's overall success was due to the closeness of the team and the spirit initiated by team leaders, Laure Stiffler and Beth Straley.

The JV squad had a very successful season, winning 14 of their 18 games. The long season, which was interrupted by the flu, gave all members time to prove themselves as players, and were consequently awarded ample playing time throughout the season.

Striding Towards States

The Indoor Track team, under the coaching of Ed Bury and Geoff Weilert, had a very successful season. For the boys, Brian Berry went to Regional and State championships for pole vaulting. For the girls, Becky Canner placed 8th in the two-mile at the State championships. Mr. Weilert and Mr. Bury both have an optimistic outlook for next year.

Against the Odds

The Varsity Wrestling team, under the coaching of Earl Deickman, had an average season despite the lack of participants and enthusiasm. Because of this lack of participation, the team had numerous forfeits giving the opponents at least a 20 point advantage at the start of every match. The team had three wrestlers go on to the county tournaments: Manual Tan, Joe Hagner, and Andy Ryan, who strongly represented Catonsville and coach Deickman in his final season.

Puttin' on the Hits

The 1986 baseball season was not the greatest in Comet history, but the Varsity team played hard until the very last game, showing Catonsville does have spirit. Plagued by injuries, the Comets ended their season with a 4-14 record, but look forward to a better season next year.

The JV baseball team fared better than Varsity with a 9-8 record. According to John Leslie, the JV coach, they were "a good scrappy team who could play and win against anyone, but a team which was sometimes overmatched in hitting and pitching."

JV Baseball: Front Row: K. Van NewKirk (mgr.), B. Cameron, M. Murphy, D. Blottenburger, S. Altshuler, T. Read, D. Ballman, T. Zlotorzynsky (mgr.). *Back Row:* J. Leslie (coach), K. Parker, B. Nelson, J. Brown, D. DeLauro, D. Muse, K. Greene, A. Zlotorzynsky.

Lacrosse Sticks It Out

Comet Lacrosse lost talent to the graduated class of '85, but were determined to prove that they could play with the big boys of Division I. The Comets, having a dismal season with only one win, played on pride. The team was outmatched, but with grim determination, survived a rough season.

On the other hand, the JV team had a 5-3 record and has a promising future as an upcoming Varsity team with a strong attack and midfield. Catonsville has a strong team to look forward to in the next few years with many returning experienced players.

Get Up, Get Psyched!

The girls' Varsity Lacrosse team had a winning season with a 5-4 record. Although it was a young team, they had strong skills and played well together. Highlighting the season was a tense 15-14 victory over Lansdowne, and a closely fought game against perennially strong Hereford. There were four players chosen for All-County Selections and four players selected to play on the All-Star team.

The J.V. lacrosse team had a successful season with final record of 3-3. Coach Kathy Schuyler felt that the team learned to create open spaces and pass well. They were very well-balanced and unselfish, always looking for the open person. Although disappointed that three schools didn't have J.V. teams, they are looking forward to the coming season.

Softball Swings Into Action

Comet Softball had two new faces to add to the coaching roster this year. Varsity was coached by newcomer Sue Jameson, a valued addition and very much admired by all with whom she came into contact. Her expert knowledge of the game and Kansas charm made her a welcomed addition to Catonsville.

Junior Varsity was coached by Diana Mand. Although coaching was a totally new experience for her, she caught on quickly and her enthusiasm led the team to a successful 7-2 season.

The Varsity Golf team produced one of the best records they have held in years, losing only two of their seven matches. The successful season allowed team leaders Jake Carrigan and Eric Miller a chance to continue their luck in individual tournaments held at the end of their regular season.

The Comets hold high expectations for next year's season and the many experienced players that will be returning are not worried about fulfilling those hopes.

Experience was the goal of the Varsity Tennis team this year. The young team set their minds to gaining experience, as well as strength needed for upcoming seasons. There was much effort put into the Comets' season, and not without reward. Some members moved onto the county championships. Members of the team are also looking forward to meeting the expectations held for them next year.

The Boys' Track team again this year was a success. The team made it to Regionals. Although the team had only one senior, Chip London, coaches Ed Bury and Dave Lane are expecting another excellent team next year with their current outstanding team members.

The Girls' Track team coached by Geoff Weilert, as well as the boy's team made it to Regionals. Participants Gretchen Shuey, Peggy Hyland, Kristin Smith, and Jenny Miller were sure to make an outstanding team. Although senior Becky Canner, who placed 5th in two events at Counties has graduated, the team's success will continue next year.

Spirit — Let's Hear It

Through constant practice and hard work, the cheerleaders improved their style and organization, and were able to lead the school with their spirit in everything from It's Academic shows to pep rallies to night games at Towson State. Led by Captain Melanie Case and Co-captain Vykki Reichenberg, the squads enthusiastically cheered the teams on to victory.

Awards Banquet

The Varsity Club Awards Banquet was held on Tuesday, May 27. Despite a small turnout, the evening was a success. Awards were given to the outstanding Varsity athletes. MVP and Unsung Hero awards were given as well as the *Times'* Athlete of the Year and Booster Club Sportsmanship award.

The evening was highlighted by guest speaker Baltimore Blast goalie, Keith Van Eron. He encouraged all athletes to continue pushing for a successful future. In a poem, he told everyone, athletes and non-athletes, not to quit.

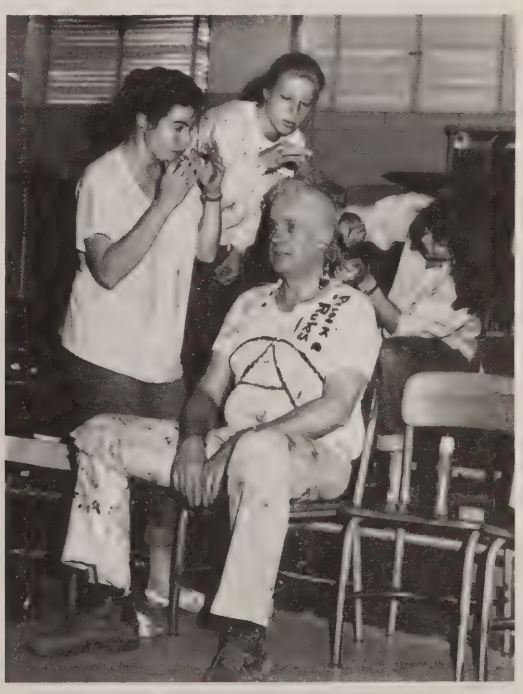
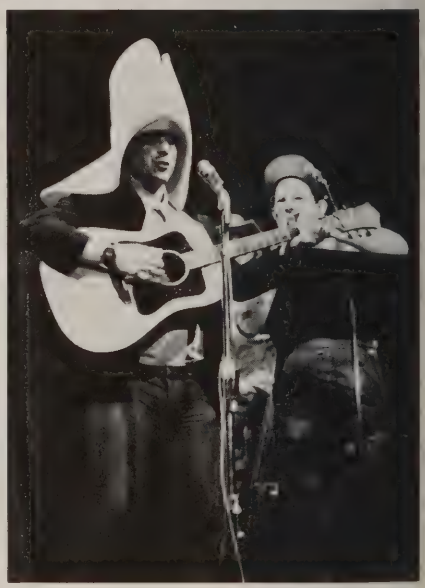
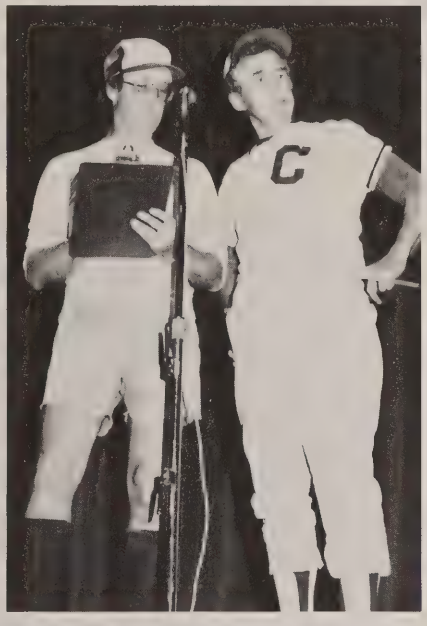
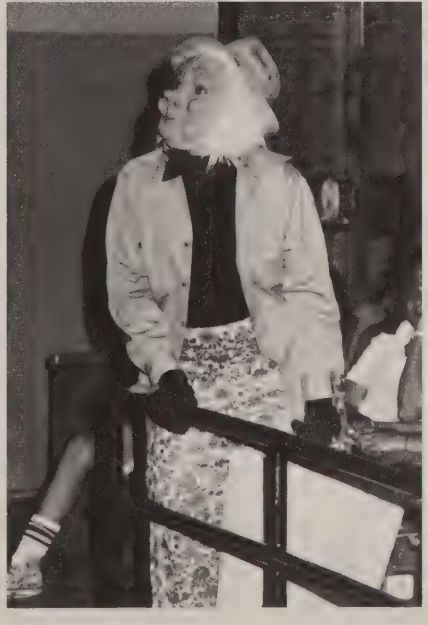
And Finally, Faculty Follies!



IT'S ELEMENTAL





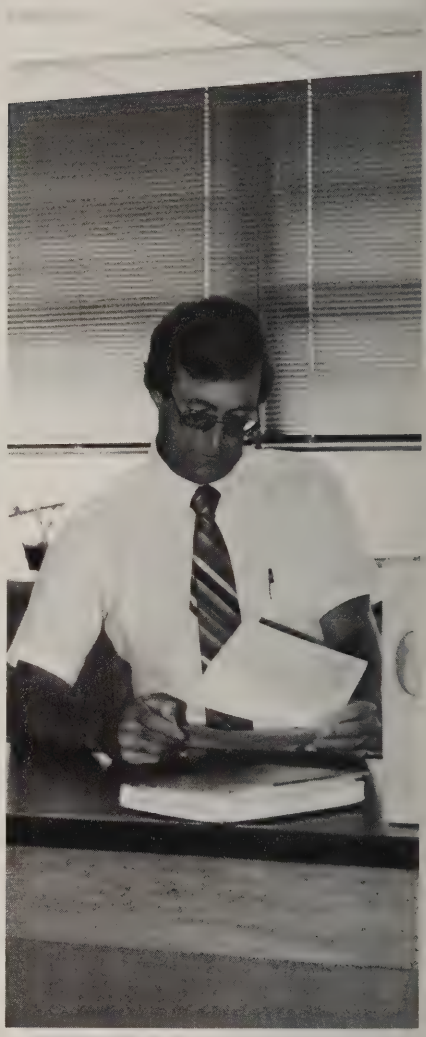


In Tribute and Farewell

1973

He's well-liked by all the students and we'll miss him greatly. (student)

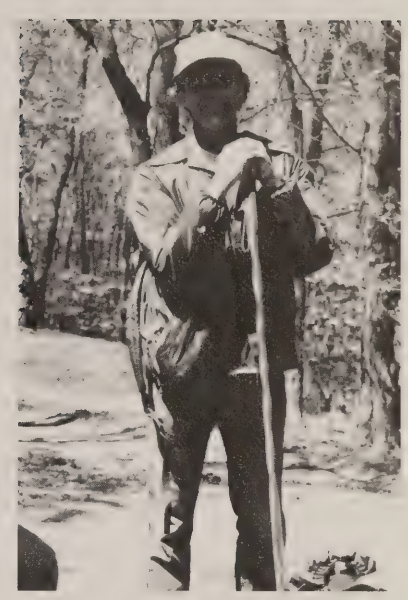
Mickey Shannon is a great American. (President of the United States)



He sure did seem to be excitable. (parent)

Michael P. Shannon

1986



No one knows how to eat a bologna sandwich like Mickey. (teacher)

An exemplary authority figure who never loses his humanity. (teacher)

Mr. Shannon cares about students and their future. (student)

He was industrious, concerned, and hardworking. (parent)
